# AnyLogic Educational License activation instructions (Serial number)
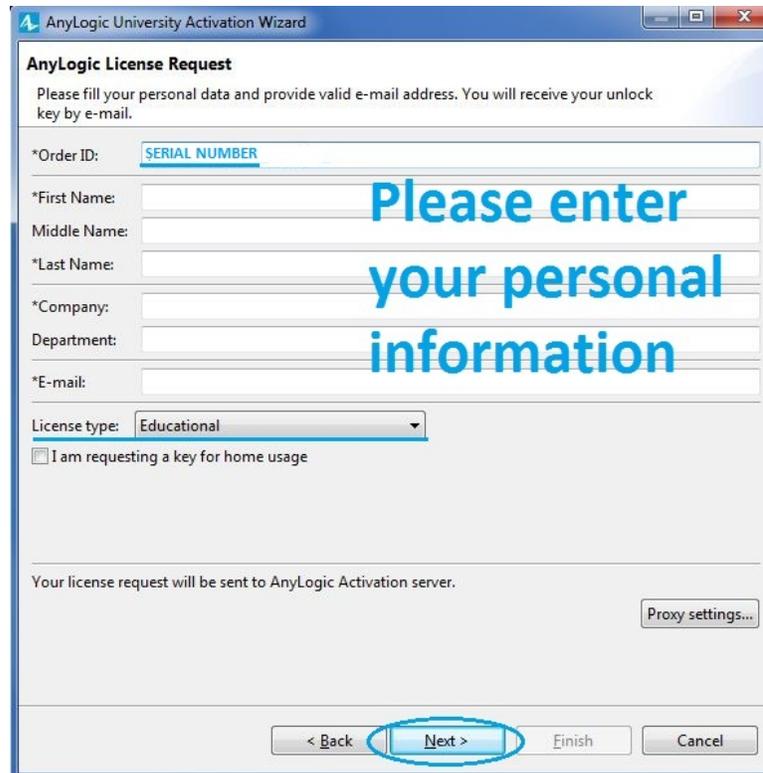

Dear Customer,

Thank you for choosing AnyLogic! Please complete the following steps to download and activate AnyLogic:

1. Download AnyLogic University from www.anylogic.com/downloads
2. Install AnyLogic and run it. An activation wizard will show up automatically (to open it again later select "Help | Activate product")
3. Select the option "Request a permanent key. The key will be sent to you by e-mail". Click the "Next" button.

Please note that AnyLogic key is computer specific. That is why you need to request a key from the computer where you are going to use AnyLogic.

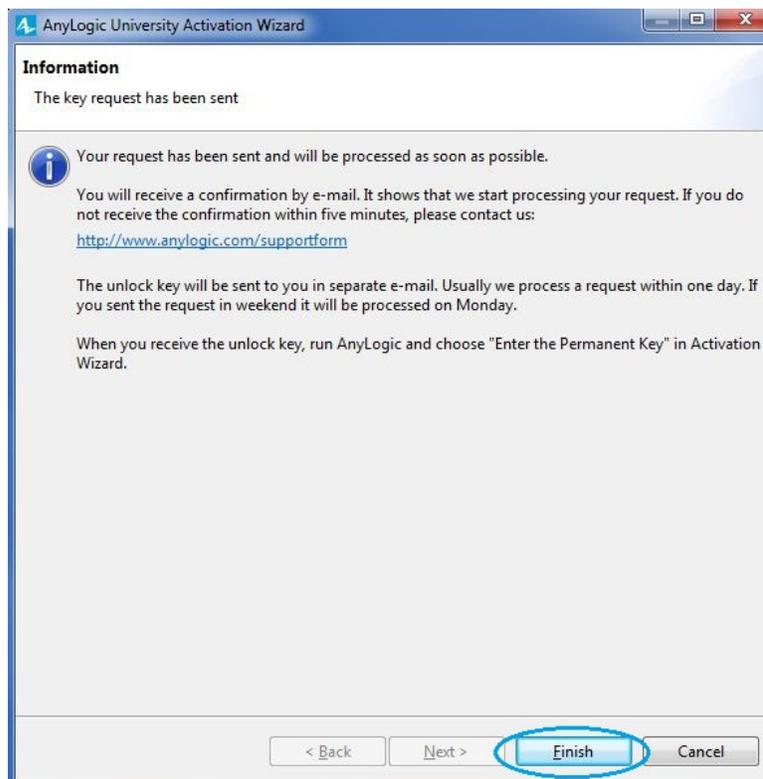

4. Fill in your identifying information, **specify a unique serial number in the "Order ID" field** and check if you have chosen the correct License type ("Educational"). Click the "Next" button again. IMPORTANT NOTE! Each serial number may be used only once to activate the software on one machine.
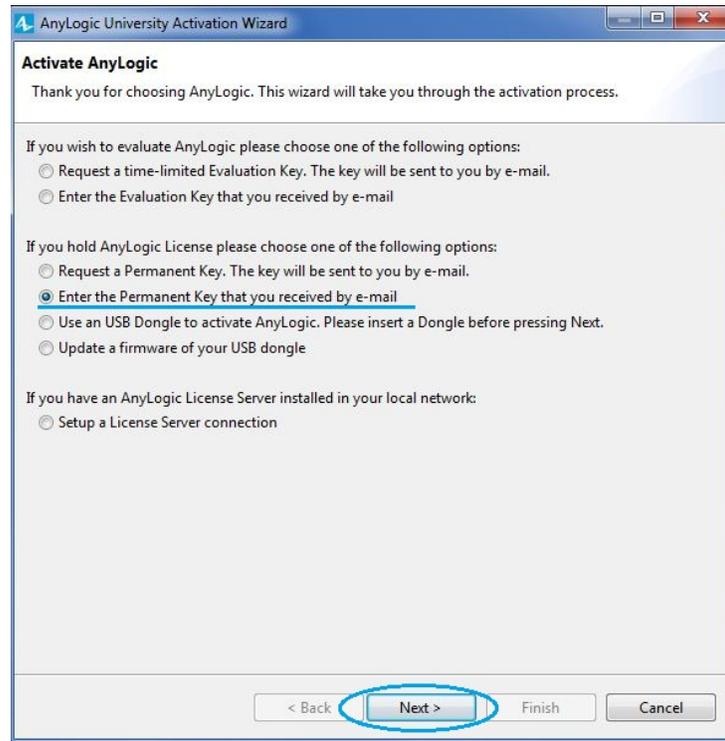

NOTE: Shortly after sending the request you'll receive a confirmation of its receipt. The actual key will be sent to you in a separate email within several minutes. Activation key is processed and sent by the system automatically. Please check your SPAM folder, if you have not received the key within 10 minutes.
