

AUSTIN, TX

APRIL 17 & 18

The AnyLogic Conference 2019

Presentations – Networking - Workshops

PRESENTER'S GUIDE

Thank you!

The AnyLogic Company truly appreciates your support and would like to thank you for interest in presenting at [The AnyLogic Conference 2019](#). Our goal is to offer a variety of presentations from globally recognized organizations using AnyLogic simulation and modeling technology for better, more profitable decision making. As an experienced AnyLogic user and advocate of the software, we are certain your presentation will add immeasurable value to the Conference.

Presenting at The AnyLogic Conference allows you to establish yourself and your organization as industry leaders. Your name along with your organization name and logo will be featured in the Conference program, earning you increased exposure. The Conference also creates a networking opportunity with like-minded, innovative AnyLogic users, producing an informative and thought-provoking environment. For your convenience, the two day event falls directly after the INFORMS Annual Meeting and is walking distance from the INFORMS venues.

You may review the [2016](#) and [2018](#) Conference programs, on our website. We assure you, it is our mission to make this a worthwhile experience for you and your organization, and ultimately, a shared success!

Timeline:

- **September 10th, 2018:** Call for Papers Opens
- **February 15th, 2019:** Call for Papers Closes
- **February 18th, 2019 – February 28th, 2019:** Notification of Approval
- **April 17th, 2019 – April 18th, 2019:** Dates of The AnyLogic Conference

How to Submit your Title and Abstract

- Please read the Presentation Criteria below on what is expected during the conference.
- Submit a title and abstract in an email to conference@anylogic.com for submission with the subject “Presenter Inquiry for The AnyLogic Conference 2019”.
- Please keep your abstract under 200 words.

Presentation Criteria

Presentations should be approximately 20 minutes with an additional 5 – 10 minutes allotted for Q & A. To keep the audience engaged, you may suggest 2-3 loaded questions that will be initiated by an AnyLogic representative in the circumstance that the audience does not have any questions.

1. Executive summary of case study to support abstract submitted
2. Business challenge solved
3. Why you chose AnyLogic
4. Why your work is significant
 - a. Benefit achieved (Tangible numbers or evidence recommended)
5. Show AnyLogic model (through recording; we are happy to assist you in recording your model)
6. Q & A

Note: All conference videos / presentations / case studies are subject to be published on the AL website

Conference Venue:

- Wednesday, April 17th and Thursday, April 18th, 2019
- Brazo’s Hall
 - 204 E 4th Street, Austin, TX 78701
